

Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Wednesday 31 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Turning cloudy overnight, and light rain in the east.

This Evening and Tonight:

Staying dry this evening and overnight for most, although becoming cloudier from the north with a little light rain over the moors. Temperatures do drop in the late evening, with a slight gusty breeze. Minimum temperature 5 deg C (41 deg F).

Thursday:

Staying fine and dry with sunny spells and light winds. However, feeling cooler as temperatures move back down to a seasonal average. A chilly night with possible frost. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:

Dry with periods of sunshine on Friday and Saturday, but chilly during the night with a risk of frost. Windy with outbreaks of rain on Sunday.
